a. Applies only to SSI recipients converted from former state assistance programs.

b. The state supplementation rate for individuals applies to each member of a couple.

DEFINITIONS:

Living independently or in the household of another. Includes all adult recipients residing in a federal Code A or B living arrangement who are not included in any other state living arrangement. Also includes blind children residing in a federal Code A, B, or C living arrangement.

Living with an essential person. Includes recipients living in a private household with a person who provides the essential care and personal services that enable them to remain in their household.

Residential care facility for adults. Facilities that provide housing for 1 to 25 elderly or physically disabled adults who cannot live alone but do not require nursing home care.

Enhanced family care facility. Community residences that are owned and operated by a person or family living in the residence. One or more individuals receive services in a certified family environment, and members of the host family provide the primary daily support.

Community residence. A facility that provides housing on a 24-hour basis to mentally ill or developmentally impaired persons. Care provided is a combination of supervised social, personal, and mental health services. The appropriate community residence standard of need is based on whether the resident received any type of subsidy from the Division of Mental Health and Developmental Services.

Medicaid facility. Includes recipients residing in a federal Code D living arrangement.

State Assistance for Special Needs

State does not provide assistance for special needs.
