<sup>2</sup> "Other" includes beneficiary services, research, and administrative expenses.

<sup>3</sup> States must reimburse us in advance for State Supplementary Payments. There will always be 12 State reimbursements in each fiscal year, but there can be 11, 12, or 13 benefit payments per fiscal year because a monthly payment is advanced into the end of the previous month anytime the due date falls on a weekend or holiday. Hence, the "Net State Supplementary Payment" numbers vary from year-to-year depending on the timing of the October benefit payments at the beginning and end of each fiscal year.
