

**DEAR TRIBAL LEADER LETTER**  
**Announcement for Anti-Fraud Efforts**

Via Email

Dear Tribal Leader & Urban Indian Organization Leader:

The Inspector General for the Social Security Administration (SSA) has designated **March 7, 2024**, as **National “Slam the Scam” Day**—an outreach campaign to raise public awareness of Social Security scams and other government imposter scams. This is part of [National Consumer Protection Week](#), March 3 - 9, 2024. We are asking you to share information about “Slam the Scam” Day with your Tribal members, friends, and family.

In 2023, the Federal Trade Commission (FTC) received over 228,282 [complaints of government imposter scams](#), with Social Security as the most frequently impersonated agency. Over 14% said they lost money to a scammer — a total of more than \$126.5 million for Social Security scams. To prevent further losses, we urge everyone to use caution when receiving calls from someone claiming to be from a government agency and recognize the basic signs of a scam to stop fraudulent activity.

Be aware of the following please:

- Scammers **pretend** to be from an organization you know to gain your trust.
- Scammers say there is a **problem** or a prize.
- Scammers **pressure** you to act immediately.
- Scammers tell you to **pay** in a specific way.

Remind your Tribal members, friends, and family to take the following actions:

- Hang up on suspicious calls from “government officials” who are **calling about a problem** with your Social Security number or account.
- NEVER make payments with gift cards, wire transfers, or by mailing cash.
- **Report Social Security scams** to [oig.ssa.gov/report](https://oig.ssa.gov/report).
- Report other scams to [ReportFraud.ftc.gov](https://ReportFraud.ftc.gov).

We ask that you please read and share our [Scam Awareness Toolkit](#) and [Scam Alert](#) infographic. And for additional resources and activities, please visit FTC’s [National Consumer Protection Week](#). Together, we will remain vigilant against government imposter scams and help protect your Tribal members, friends, and family from fraud.

Sincerely,

Richard O. Litsey, Director
